¹ Summary of graduates' first destinations; information from college Career Services offices' follow-up surveys conducted within 6 months after graduation.

² Number of graduates responding to survey who had obtained full or part-time/temporary positions.

³ Number and percent of graduates responding to survey who were pursuing further education.

⁴ Percent of graduates responding to survey who were either employed, pursuing further education or military (excludes those from whom *No Information* was obtained).

⁵ Number and percent of graduates seeking a position.

⁶ Number of graduates not responding to survey.

⁷ Percent of employed respondents employed in- or out-of-state. Note: some out-of-state locations may be for initial training with position assignments to be in Iowa.

⁸ Percent of employed students who were employed professionally (includes major-related position -- full and part-time or military).
