

2013/2014 Entry-level Salary Information for Recent Graduates in Agriculture and Related Disciplines

Each year, participating agricultural colleges across the nation provide data to summarize entry-level salaries of recent graduates of their programs. The information is useful to help illustrate industry trends and provide appropriate baselines for both students and employers. The summary, which is coordinated by Iowa State University, includes information collected by career services offices from December 2013 and May 2014 undergraduates. After the data are tabulated, the summary is finalized in August of each year and disseminated to contributing schools for appropriate use. This year, the participating universities were:

Auburn University – College of Agriculture
Clemson University – College of Agriculture, Forestry, and Life Sciences
Colorado State University – Warner College of Natural Resources and College of Agricultural Sciences
Iowa State University – College of Agriculture and Life Sciences
Michigan State University – College of Agriculture and Natural Resources
North Carolina State University – College of Agriculture and Life Sciences
Oklahoma State University – College of Agricultural Sciences and Natural Resources
Purdue University – College of Agriculture
Texas A&M University – College of Agriculture and Life Sciences
The Ohio State University – College of Food, Agricultural and Environmental Sciences
University of Florida – College of Agricultural and Life Sciences
University of Georgia – College of Agricultural and Environmental Sciences
University of Illinois – College of Agricultural, Consumer and Environmental Sciences
University of Kentucky – College of Agriculture
University of Missouri – College of Agriculture, Food and Natural Resources
University of Nebraska-Lincoln – College of Agricultural Sciences and Natural Resources
University of Wisconsin – College of Agricultural and Life Sciences
