¹ Summary of graduates' first destinations; information from CALS Career Services Office' follow-up surveys conducted within 6 months after graduation.

² Number of graduates responding to survey who obtained full or part-time/temporary positions. (Effective 20-21, percentage based on "Respondents" minus those "Not Seeking")

³ Percent of employed respondents employed in- or out-of-state.

⁴ Percent of employed students who were employed professionally (includes major-related position -- full and part-time employment or military obligations).

⁵ Number and percent of graduates responding to survey who were pursuing further education. (Effective 20-21, percentage based on "Respondents" minus those "Not Seeking")

⁶ Percent of graduates responding to survey who were either employed, pursuing further education, or military obligations. Following NACE reporting standards, excludes those Not Seeking (Effective 15-16).

⁷ Number and percent of graduates seeking employment.

⁸ Number of graduates not responding to survey.
