¹ Summary of graduates' first destinations; information from college Career Services offices' follow-up surveys conducted within 6 months after graduation.

² Number of graduates responding to survey who obtained full or part-time/temporary positions.

³ Number and percent of graduates responding to survey who were pursuing further education.

⁴ Percent of graduates responding to survey who were either employed, pursuing further education, or military obligations. Following NACE reporting standards, excludes those Not Seeking (Effective Summer 15 - Spring 16).

⁵ Number and percent of graduates seeking employment.

⁶ Number of graduates not responding to survey.

⁷ Percent of employed respondents employed in- or out-of-state.

⁸ Percent of employed students who were employed professionally (includes major-related position -- full and part-time employment or military obligations).
