<sup>1</sup> Summary of graduates' first destinations; information from college Career Services offices' follow-up surveys conducted within 6 months after graduation.

<sup>2</sup> Number of graduates responding to survey who obtained full or part-time/temporary positions.

<sup>3</sup> Number and percent of graduates responding to survey who were pursuing further education.

<sup>4</sup> Percent of graduates responding to survey who were either employed, pursuing further education, or military obligations. Following NACE reporting standards, excludes those Not Seeking (Effective Summer 15 - Spring 16).

<sup>5</sup> Number and percent of graduates seeking employment.

<sup>6</sup> Number of graduates not responding to survey.

<sup>7</sup> Percent of employed respondents employed in- or out-of-state.

<sup>8</sup> Percent of employed students who were employed professionally (includes major-related position -- full and part-time employment or military obligations).
